EuCAP 2022

WE ARE PLEASED TO WELCOME YOU TO MADRID, THE CITY HOSTING EuCAP 2022

EuCAP's 2022 host city Madrid is the capital of Spain and its largest city. The population of the city is roughly 3.3 million and the entire population of the Madrid metropolitan area is calculated to be around 6.5 million. It is the third-largest city in the European Union, after London and Berlin, and its metropolitan area is the third-largest in the European Union after London and Paris. The city spans a total of 604.3 km² (233.3 sqm).

Madrid, its special dynamism as a business centre goes hand in hand with its vibrant vitality, tourist appeal and fervent cultural and recreational life. Madrid will surprise you with its intense and enveloping blue sky. It has a dry climate with little rainfall, resulting in hot summers and cold winters, but no matter what time of the year you choose to come, you are very likely to see with your own eyes the famous blue sky Velázquez loved to paint.

Madrid offers a very intense cultural life all year long: Opera, Ballet, Concerts, Theatres, Festivals, Expositions, Museums. A great city that boasts a rich treasure of art, culture and natural environments, set in a region packed with history and modernity, the best option for the venue of the EuCAP 2022 edition. We look forward to welcoming you all to Madrid in 2022.

Conference Chair
